Fall 2007 Campaign Update

Carmelites are Grateful for the continued Support of Education in the San Fernando Valley

Fr. Tom Schrader, O. Carm., President and Fr. Paul Henson, O. Carm., Principal continued to be “awed” by the generosity of the Crespi Carmelite High School Family.

“The need to have pledges continue is especially important as we keep in step with the cost of the construction schedule.” Says Fr. Tom, adding that, “Letters were mailed out this past summer to our Friends and Family asking for a commitment to Carmelite Education and the response has been a bit slower than we had expected.

Father added, “We understand that summer is a bit hectic with vacations, but as we near the end of the year it is our prayer that we receive some tax deductible charitable gifts through the end of December 2007!”

Building for the Crespi Man has progressed at a fast pace with the building project nearing 40% complete as the Fall Semester finishes the first quarter.
