

YOUR CHARITABLE GIFT WILL LIVE LONG AFTER

We are a community that is well known for volunteering our time and other resources for the benefit of the causes in which we believe. As a result, all of our lives are enriched.

Many people also choose to include their charitable interests in their long-range financial plans. Making thoughtful charitable gifts in this way often goes hand in hand with preserving economic security for one's self and loved ones, thanks to a number of special planning methods that are available.

The will is the most commonly used method of making charitable gifts at death. Crespi Carmelite High School will forever be grateful if you would consider scheduling a donation to the school. Please add Crespi as a beneficiary to your will or living trust, or consider funding a charitable trust.

For more information on remembering Crespi in your will, please contact Greg Cornell '74, in the Office of Institutional Advancement at (818) 654-1314, or email gcornell@crespi.org.
