Dear Parents & Students,

In an effort to be as prepared as possible to help our students in the event of illness or injury, all students are required to have an annual pre participation physical. **If this has already been completed due to summer athletics, you do not have to have another physical.** There are many instances where the medical exam is important for our students not just for athletic participation, for example:

Physical Education Classes

Impact weeks

Retreats

Field Trips

School Dances

Fans at sporting events

ESOL and other club events

Sport and Spirit Days

We use the online HomeCampus within to process all medical paperwork . Please download and print all documents that require a physician signature. Once completed, submit all documents directly into your student health tracker within Homecampus. Once this is complete, please allow 24-48 hours for document to be reviewed and approved.

Sincerely,

Dr. Liam Joyce, Ed.D
